Re: July Quarterly Report (4/1/02-6/30/02)

Dear Ms. Phillips:

We recently received your correspondence dated December 26, 2002. The following is in response to that correspondence.

In response to your first question regarding the receipts from Brad Carson for Congress Committee, the first receipt that you reference is in the amount of \$200.00 on 1/17/02. This should have been listed on line 15 under Offsets to Operating Expenditures. This receipt was for a reimbursement for food for an event. I am sending an amendment to the 30-Day Post General Report (12/20/01-1/28/02) to reflect this correction. The second receipt was received on 4/17/02 in the amount of \$5,000.00, this is a contribution and was reported correctly. The third receipt was received on 4/24/02 in the amount of \$1,000.00, this receipt should also have been listed on line 15 under Offsets to Operating Expenditures. This receipt was for a sponsorship for an event. I am sending an amendment for the July Quarterly Report (4/1/02 - 6/30/02) to correct this error.

Your next question regarding the contribution that we made to Donald Dunn for Congress for the Utah primary that was held on June 25, 2002, this contribution was given to help reduce the primary debt.

In response to your question regarding the receipts from the Democratic Party of Oklahoma (State Account), these transfers were made to the Democratic Party federal account to pay the non-federal portion of the expenses that were paid from the federal account.

The Memo Schedule A's from the OK Party Victory Fund that you inquired about are from the Democratic National Committee/-OK Party Victory Fund. The transfers in from the DNC total \$12,344.33

In regards to the itemized disbursements that need further descriptions, we have amended our July Quarterly Report (4/1/02 - 6/30/02) to include a more detailed description of the expenses that you noted.

As we have reported to the Commission on numerous occasions the debt listed on Schedule D of our report from TK Data Services has been outstanding for over five years. Currently, no one at the Party knows the origin of the debt. We have requested an invoice from TK Data Services during previous periods, but have not yet received such an invoice. If this information ever becomes available to us we will forward the information to you. Please feel free to contact me if you have any questions or if additional information is needed.

Very truly yours,  
Debbie Hogue-Downing
